Second Annual Outdoor Concert - October 4

Say hello to Uncle Sam and enjoy the melodious sounds of Pisgah's Preparatory Chorus, Strings and Band students as they perform in the Meditation Garden on Tuesday October 4th at 7 PM. The concert will be held regardless of weather and will move to the Drummond Center in case of rain. Our VIP guests from 4th and 5th grade will have reserved seating. In addition, a drawing for this beautiful quilt, handmade by Pisgah mom Sandi Cain, will be held during intermission for all families who have joined the Pisgah Arts Parent Association by October 4th.

Boxed dinners from HoneyBaked Ham are available for \$8 each by pre-ordering at Pisgah Arts [website](#), with choices of ham, turkey or club sandwiches. You may pick up your dinner beginning at 6 PM at the Meditation Garden. Delicious cupcakes from Good Morning Cupcake will also be available for purchase, baked by Pisgah mom, Kim Kellogg. Come enjoy a "Chastain-like" evening on the lawn in the Meditation Garden.

MP Band & Orchestra perform at President's Dinner

On September 14th, a select group of students from the Mount Pisgah Band and Orchestra performed at the President's Dinner in the newly renovated South Hall. The following students participated in the event: Austin Chan, Nick Doss, Harry Kim, Sasha Popov, Caleb Swift, Conrad Venizelos. These talented students did a fantastic job in representing the Band and Orchestra students!

Spotlight on.....

Lynn and Happy Mayer

Once they made the decision for their granddaughters, Madison and McKayla, to go to school at Pisgah, Happy and Lynn stepped in to support Pisgah Arts any way they could. This support ranges from becoming PAPA members to Lynn making a piece of pottery for a PAPA give away to awarding a scholarship each year in honor of their son who was heavily involved in the drum line while he was in school in Nashville. The 'Spirit of Mike' scholarship is awarded to a senior band student who is a proven leader, both in band and in school, who serves as a role model for the younger students, shares his/her faith and helps the program flourish.

Happy and Lynn think the growth of the Arts at Pisgah has been phenomenal and are excited to see the school continually stepping forward to grow the program. They believe Arts offer a great opportunity for the students who might not be involved in athletics or other extracurricular activities to increase their involvement in the school. Both Madison and McKayla are in chorus this year, and McKayla is also taking singing and piano lessons after school with Ms. Supple. The girls are now playing the drums as well. Lynn paints and enjoys pottery, while Happy has been known to play the piano. Their main focus, though is encouraging and inspiring Pisgah students to excel using their talents, and of course, to "Be Happy".

National Art Honor Society

The National Art Honor Society (NAHS) is accepting applications for new members. The deadline is **September 30th**. This program began in 1978 and was founded by the National Art Education Association. The program is specifically designed for high school students, with the purpose of inspiring and recognizing those students who have shown an outstanding ability in art and academics. The NAHS strives to aid members in working toward the attainment of the highest standards in art areas, and to bring art education to the attention of the school and community. Please see Libby Geiselmayer for more information.
