

Year to Date Update

P.A.L.S

Operation
Christmas
Child

Trunk
or
Treat

Whether it is loving on our teachers, planning fun events for our families or raising money P.A.L.S. had a busy fall and accomplished a lot! We thank our many parents who served as the hands and feet for these events. Some of the exciting highlights include:

Back to School Events:

Hosted back to school luncheons and snacks for Lower, Middle and Upper school teachers.
Hosted back to school picnics on both campuses with Kona ice trucks and record school store sales.
Kicked off the year with gifts for Prep School teachers of Pisgah carrying cases for their new laptops.

Hosted teacher Appreciation Events:

- Half Day Preschool/Lower School – teacher breakfast with coffee mug/Starbuck gift card for each teacher. Teachers received cute flower jars filled with sweets and a certificate for a sweet treat at Rita’s Ice.
- Middle/Upper school teachers were sent home with a casserole to feed their families.
- Full Day Preschool - hosted a beautiful luncheon with homemade soups and goodies.
- Teachers received overflowing fruit baskets the week before Thanksgiving
- Provided a delicious breakfast spread for the Preparatory School teachers each month at one of their weekly staff meetings.
- Provided monthly snacks in the Middle and Upper school teacher work rooms: Keurig coffee cups, flavored creamers, baked goods, etc.
- Provided Keurig coffee supplies as treats to lower school teachers

Hosted Trunk or Treat event at the PAC

We had a record number of treaters, plenty of treats, and LOADS of FUN!!

Hosted the annual Thankful Friday and Operation Christmas Child event

More than 500 shoeboxes collected

More than 50 service hours worked by Upper School students.

Service hour time slots were filled up in just a few days – shows what caring, giving students we have at Pisgah.

Hosted a fall parent education event in the middle school and had record turnout!

Thanks to your collection efforts to date we have received –

\$1304 from Target “Take Charge of Education” (keep shopping!!)

\$1305 from Box Tops (keep clipping!!)

\$776 from Publix

\$1800 from Georgia Natural Gas

From the My Coke Rewards for Schools program we were able to order the following:

For Preschool –

Carnivorous Creations. This kit contains everything the preschoolers need to grow carnivorous plants. Imagine how much fun they will have and how much they will learn by watching these plants actually eat insects.

Healthy Hurdles. Nutrition game to teach students about the food groups, balance their meals and to play a new game. Students can learn to eat right while having fun.

PlayFoam Assortment. Forms like clay but doesn’t look like clay. Students can squish it, squeeze it and mold it and it won’t dry, crumble or stick. Allows a student to create anything with their hands.

8.5” Playground Balls Pack. Set of 6 contains one of each color: red, yellow, blue, green, orange and purple

From the Campbell’s Labels for Education

Items ordered for the Lower School

DVD recorder & VCR combo. View movies in either DVD or VHS format and transfer your school movies to DVD discs for convenient archiving. The built-in VCR makes transferring from VHS to DVD fast and easy.

As the first semester of the school year comes to a close PALS is planning on more teacher appreciation events, family fun times and fund raising for the second semester. To get involved in these endeavors please contact Leigh Ann Bishop at leighannb@bellsouth.net!
